

20% average savings on corporate travel costs

Help your employees get back on the road by making it rewarding to save on airfare, hotel, and rental car bookings.

Employees earn points for saving your company money. Points can be redeemed for gift cards and charitable donations within the Rocketrip store, and it all works with your existing OBT and TMC.

We recommend options below the Price to Beat during searches in your online booking tool.

Common saver scenarios include:

- Business class downgrades
- Selecting an earlier flight
- Staying with friends and family
